

BEFORE THE CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

In the Matter of:

PUBLIC HEARING AND CONSIDERATION OF
THE IMPOSITION OF PENALTIES AGAINST

THE CITY OF GARDENA

PURSUANT TO COMPLIANCE ORDER
IWMA BR 03-02

(PUBLIC RESOURCES CODE 41850)

FINDINGS AND ORDER

A duly convened public hearing before the California Integrated Waste Management Board ("CIWMB") having been held on September 16, 2003, in Sacramento, California, in which the City of Gardena participated, and based on the testimony and other evidence presented at that hearing and based on the oral and written arguments made by the parties, City of Gardena and Staff of CIWMB,

THE CIWMB DOES HEREBY MAKE THE FOLLOWING FINDINGS:

1. Public Resources Code (PRC) Section 41780 requires each City or County Source Reduction and Recycling Element (SRRE) to include an implementation schedule that shows how the City or County shall divert 50 percent of all solid waste on and after

- 1 January 1, 2000, through source reduction, recycling, and composting activities.
- 2 2. PRC Section 41825 requires the CIWMB to review each City, County, and Regional
- 3 Agency's Source Reduction and Recycling Element at least every two years.
- 4 3. PRC Section 41825 provides that if the CIWMB finds that the City, County, or
- 5 Regional Agency has failed to implement its SRRE, the CIWMB shall issue an order
- 6 of compliance with a specific schedule for achieving compliance that shall include
- 7 those conditions which the CIWMB determines to be necessary for the jurisdiction to
- 8 complete in order to implement its SRRE.
- 9 4. PRC Section 41850 provides that if after holding a public hearing and issuing an
- 10 order of compliance pursuant to Section 41825, the CIWMB finds that the City,
- 11 County, or Regional Agency has failed to make a good faith effort to implement its
- 12 SRRE, the Board may impose administrative civil penalties upon the jurisdiction of
- 13 up to ten thousand dollars (\$10,000) per day until the jurisdiction implements the
- 14 element.
- 15 5. Based on the staff review of the jurisdiction's implementation of programs identified
- 16 in its SRRE, the CIWMB determined at a public hearing held on January 14, 2003,
- 17 that the City of Gardena had not made a good faith effort to implement the programs
- 18 as identified in their SRRE because it had failed to adequately handle diversion of
- 19 waste from its commercial sector and had achieved a diversion rate of only 13% for
- 20 the year 2000, and issued Compliance Order No. IWMA BR03-02.
- 21 6. The compliance order included specific requirements that the City was to meet,
- 22 including working with the CIWMB to develop a Local Assistance Plan, with
- 23
- 24
- 25
- 26
- 27
- 28

1 expanded and new programs designed to achieve achieve a 50% diversion rate, that
2 the City would agree to by June 30, 2003.

3 7. Due to delays by the City of Gardena in determining an implementation date by
4 which commercial diversion services will be implemented and associated tasks
5 needed to expand commercial diversion programs, the City of Gardena did not submit
6 an acceptable Local Assistance Plan by June 30, 2003, and the City and CIWMB did
7 not agree to the Local Assistance Plan until August 18, 2003.

8 8. Accordingly, the City of Gardena failed to comply with the CIWMB's Compliance
9 Order No. IWMA BR03-02 requiring the execution of a Local Assistance Plan by
10 June 30, 2003, and failed to show that it had made a good faith effort to implement its
11 SRRE.
